Regimental Association

Dear Fellow Adjutant General's Corps Soldier:

Activation of the Adjutant General's Corps Regiment is scheduled for mid-June at Fort Harrison. A sequence of the ceremonial events is included in this brochure for your information.

Currently, we are in the process of activating the AG Corps Regimental Association to advance professionalism among members of the Regiment and to promote an understanding of the proud traditions of the Corps. A complete listing of the objectives and purposes of the Association are also listed herein.

Funding is very essential if this fledgling Association is to succeed. Appropriated dollars can be used on a small scale to help activate the Regiment, but not the Association. Our only hope to finance the start-up costs for the Association will come from members we enroll.

As a result, the Association's Executive Council, which is comprised of many of the Corps' finest officers and noncommissioned officers, voted to establish the Founding Members Program.

We are asking AG Corps leaders worldwide to donate \$100.00 and become Founding Members of the Association. This tax deductible contribution will provide the impetus to commence our initial programs and activities.

Each Founding Member will be honored as described herein, and their names conspicuously recorded in perpetuity in the permanent archives of the Association.

Please complete the enclosed Founding Members Enrollment Card and return it with your check in the envelope provided.

For the Corps, the Regiment, and the Association!

Respectfully,

Frank C. Foster, Jr.
Colonel, Adjutant General's Corps
President of the Association
